

13th WORLD CONGRESS OF THE RSAI

Smart Regions - Opportunities for Sustainable Development in the Digital Era

Virtual Conference
MAY 25-28
2021

Special Session (SS58) on: Argentinean social and economic challenges

Organizer:

Pedro Luis Elozegui, Argentina Section

E-mail: pelosegui@hotmail.com

Topics

The special session will include novel approaches to the treatment of the main recent socio-economic challenges of the Argentinean economy. Emphasis will be given on the analysis through new information, methodologies, theoretical and empirical approaches applied to the Argentine reality, particularly including the impact of the COVID-19 pandemic and the challenges of regional inclusive development.

Methods

Theoretical and applied regional socio economic models, IO and CGE models, spatial econometrics.
