## Call for Papers

### OVERVIEW

The National University of Villa María, Córdoba and the Argentine Regional Science Association (SAER) invites you to participate in the 7th Annual Meeting to be held on 23 and 24 August 2017 in Villa María, Córdoba.

The 7th annual conference will cover a wide range of topics on Regional Economics and Local Productive Development, including:

- The debate about the future of the local productive profile
- Financing of development programs
- Local development entrepreneurs and best practices
- Macroeconomics and local and regional development
- Bioeconomy and regional impact

Previous Seminars (<http://www.saerargentina.com.ar>) have attracted speakers from different countries. We welcome scholars, researchers, students as well as corporation and government executives. We will also host special panels on regional topics. You can either present your research work or just attend. There will be a session of work and/or thesis in progress.
