

*Special Session (SS31) on:
Regional Economic Development in Asia*

Organizers:

Yuri Mansury - Department of Social Sciences, Illinois Institute of Technology, USA. Email: ymansury@iit.edu

Budy Resosudarmo - Arndt-Corden Department of Economics, Australian National University, Australia. Email: budy.resosudarmo@anu.edu.au

The aim and scope:

The session examines the recent paths and dynamics of regional economic development in Asia (excluding Japan). The focus is on the urban and regional (subnational, national, and multinational) dimensions of Asian economic development. The session showcases papers that highlight how regional and local circumstances contribute to the dynamics of economic development in Asia. Keywords and topics for this Special Session include, but are not limited to: convergence, the environment, human capital, inequality, innovation, poverty, and urbanization.
